In the year 2000 , CPS, Mohuda was the first Pharmacy College in Odisha to provide organized free-coaching for GATE to the students. In GATE- 2000 a good number of students qualified with scores like 99.44 (All India Rank- 17) , 99.14 (All India Rank -24) etc. In the following years the number of qualified students scaled up and culminated in 2007 to 37.</p> <p>In perspective of Research, this college also played a very significant role in Odisha. In 2006 “ A.P.C. Ray Memorial Cancer Chemotherapeutic Research Unit” was established by Dr. Subrata Sen (The present Principal). This research unit was inaugurated by the then President of India Dr. A.P.J. Abdul Kalam. In this research unit the students and the faculties of the college carry out their M.Pharm and Ph.D Research Projects.</p> <p>To revamp and maintain quality of teaching in the college an internal Quality Assurance Cell is formed who monitor teaching in both theory and practical classes at regular interval. If any discrepancy is found, it is rectified by rendering the requisite training to the concerned faculty. On top of this, the college has been selected as a Nodal Center for Faculty Development Program under the University (BPUT).</p> |
